

# MUDE GOWTHAM

## Full-Stack Developer

gauthammude@gmail.com • linkedin.com/in/gautham-mude-628948313 • Portfolio: <https://gauthammude.github.io/Profile/>

## Summary

I am a dedicated and enthusiastic Full-Stack Developer with a strong foundation in software engineering principles, passionate about building innovative applications. My experience includes developing responsive web applications using technologies like Django, React, and Tailwind CSS. I take pride in my collaborative work ethic and continuous learning attitude to stay updated with industry trends

## Projects

### Gstore

Gstore – E-commerce Website

- Built a fully responsive, full-stack e-commerce web application
- Implemented user authentication, product listings, cart, checkout, and order management using Django
- Designed and integrated dynamic front-end pages with HTML, CSS and custom JavaScript
- Used Django's ORM for database operations and managed product data with SQLite
- Integrated payment gateway (e.g., Stripe)
- Gstore E-commerce Website (GitHub Repository): <https://github.com/gauthammude/Gstore-E-commerce-Website>
- G store (front-end): <https://gauthammude.github.io/Gstore>

### Gowtham Travels

#### URL

Real-Time Bus Ticket Booking Web Application

- Built a real-time bus ticket booking platform featuring a sleek, dark-themed interface
- Developed the frontend with React (Vite) and integrated it with a Django REST backend
- Implemented secure user authentication and registration using Django's authentication system
- Designed a clean, responsive, and modern UI with Tailwind CSS
- Frontend: [github.com/gauthammude/Gowtham-Travels-Frontend](https://github.com/gauthammude/Gowtham-Travels-Frontend)
- Backend: [github.com/gauthammude/Gowtham-Travels-Backend](https://github.com/gauthammude/Gowtham-Travels-Backend)

## Skills

Python • HTML • CSS • JavaScript • MongoDB • PostgreSQL • Bootstrap • React • Django • Django Rest Framework • Git • GitHub • Data Structures • SQLite • Gateway • Stripe • Tailwind • REST

## Education

Annamacharya Institute of Technology and Sciences	Rajampet
Bachelor of Technology in Electronics and Communication Engineering -8.0 CGPA	10/2022 - 07/2026
A.P. Model College	K.V. Palli, Chittoor, Andhra Pradesh
Intermediate – M.P.C – 60%	01/2020 - 05/2022
A.P. Model College	K.V. Palli, Chittoor, Andhra Pradesh
SSC – Class X – 85.79%	01/2015 - 05/2020

## Key Achievements

-  **HackerRank Coding Assessment**  
Successfully passed the HackerRank coding assessment in Python
